INTERNSHIP REPORT

2023-24

CAREER PATHWAY CENTRE (CPC)
Placement & Internship
Indian Institute of Technology Madras

INTERNSHIP 2023-24

An internship is one of the pillars of the strong foundation over which a student's career is built. It provides an opportunity for students to apply their skill sets to real-world problems, while simultaneously enabling them to develop new ones. Internships provide students an exposure, in a systematic way, to the field of work and encourages their professional growth by becoming an asset to the organization that they work for. In addition to this, internships provide a platform for young to make meaningful connections and build a professional network. At CPC, we help our students land their right internship.

The Internship Team at CPC, IIT Madras (IITM), caters to students from 3rd-year B. Tech, 4th-year Dual Degree, and 1st-year M. Tech, M.A & MBA from 16 departments. Recently, IITM has launched two additional departments, Data Science and Artificial Intelligence and Medical Science and Technology. We also have students pursuing Masters in various Inter-Disciplinary streams, namely Advanced Materials and Nanotechnology, Atmospheric and Climate Science, Bio-Medical Engineering, Complex systems and dynamics, Computational Engineering, Cyber physical systems, Data Science, Electric vehicles, Energy Systems, Public policy, Quantitative Finance, Quantum Science & Technology, Robotics and Tech MBA. We kick start our internship drive with Day-1 in July-Aug. Post Day-1, we have a rolling process through out the academic year, during which we invite nearly 250 companies to recruit from our campus.

At IITM, we are proud that our students have performed incredibly well and have made successful and impactful contributions to several companies. The diversity of profiles and the nature of companies recruiting from IIT Madras have broadened remarkably over the years. The total number of Pre-Placement offers (PPOs) has also significantly improved and it is one of the great impacts of the internship process. Data showcasing the achievements of the Internship team at CPC have been represented in the following pages for ready reference. We hope it will be interesting and enlightening to browse through them to gain an insight into the process.

INTERNSHIP STATISTICS

The IIT Madras internship season of 2023-24 saw an impressive 701 students placed in over 188 companies.

Year	Number Placed
2023-24	701

PRE-PLACEMENT OFFERS

Internships also provide a gateway for full-time opportunities to students who perform exceptionally well, in the form of pre-placement offers. PPOs provide a chance for both the candidates and the recruiters to work with each other before the final offer is made.

PPO STATISTICS		
Year	PPO	Accepted
2023-24	299	235

DEPARTMENT WISE STATISTICS

Students across various departments take part in the internship process specific to their interests. The figure below portrays the department wise distribution of internship placed made 2023-24.

Departments	Number Placed
Aerospace Engineering	14
Applied Mechanics	6
Bio-Technology	29
Chemical Engineering	59
Civil Engineering	37
Computer Science and Engg.	118
Electrical Engineering	144
Engineering Design	19
Humanities and Social Sciences	13
Management Studies	87
Mathematics	1
Mechanical Engineering	101
Metallurgical and Materials Engineering	34
Naval Architecture and Ocean Engg	19
Physics	20
Total	701

Number Placed

PROGRAM WISE STATISTICS

The Internship team caters to B. Tech, Dual Degree, M. A, M. Tech and MBA students. The program wise statistics have been represented below in both tabular and graphical format.

Programs	Number Placed
B.TECH	415
DUAL DEGREE	104
M.A.	13
M.B.A	87
M.TECH	82
Grand Total	701

SECTOR WISE STATISTICS

The broad spectrum of internship profiles offered by recruiters allows the offers to be spread across a variety of disciplines.

Sector-Wise	Number Placed
Analytics / Finance / Consulting	161
Core	139
Education	19
FMCG	24
IT & Software Development	199
Management	87
Others	14
Research & development	58
Total	701

Thank you!

We extend our heartfelt gratitude to all our valued recruiters for their continued collaboration with IIT Madras. Your partnership plays a crucial role in helping our students achieve their dreams and build a brighter future. We are confident that our students, as IIT Madras Ambassadors, will uphold the reputation of our institution.

IIT Madras remains steadfast in its commitment to academic excellence, both in research and education. Our dedication to fostering a culture of quality education, cutting-edge research, and unbounded creativity continues to drive us forward.

We are truly honored to have you and your team supporting our students on their professional journey. Your support and engagement are deeply appreciated and integral to the success of our student community.

Thank you for your unwavering patronage and for walking alongside us in shaping the future of our students.
