

Policy

Batch 2015 (Dual Degree students):

1. Companies that were registered on the internship portal for the academic year 2017-18 will be categorized into I1 and I2 as follows:
 - a. **I1**: Companies that were open to B.Tech but not to Dual Degree students
 - b. **I2**: Companies that were open to both B.Tech and Dual Degree students or only to Dual Degree students
2. All the 4th-year Dual Degree students will be allowed to sit for companies:
 - a. Under the I1 category, and
 - b. That did not register on the portal for the academic year 2017-18
3. Students that converted from B.Tech to Dual Degree will be treated as 4th year dual degree students and will be able to apply to companies that were open to B.Tech students last year.

Batch 2016 onwards:

1. B.Tech students who wish to register on the portal must do so in their III year
2. Dual degree students will have an option to register either in their 3rd year or their 4th year
3. Student will be allowed to register on the portal only once

Note (4th year Dual Degree):

Pre-Placement Offer(PPO) /Pre-Placement Internship Offer(PPIO) :

1. 4th-year Dual Degree students who receive a PPO/PPIO during the academic year 2018-19 will not be allowed to sit for companies until he/she submits an undertaking to the internship office stating if the student will accept/reject the PPO/PPIO
2. Stating the acceptance of PPO/PPIO will lead to deregistration from the internship portal
3. Violation of the undertaking will lead to disciplinary action
